 - Postgre
 - AWS
- Maven
- JDBC
- Hibernate
- Spring
 - Spring core
 - Spring boot
 - Spring security
- HTML
- CSS

Soft Skills

- Teamwork
- Critical thinking
- Stress management
- Openness to criticism

Java developer

Nazar Horshevikov

Interested in programming since childhood, started learning java in 2019 and have been improving my skills ever since.

Ready for anything new. Love to optimize, both code in the file and the whole system.

Also like simplicity and resilient to stress.

Education

- **Gromcode University**

Java developer

- **State University of telecommunications**

Information systems and technologies

On first grade now

- **Cursor**

Front-end advanced

Starts in February and lasts 3 months!
